

Eastern Maine Skippers Program

Final Presentations Sponsorship

The Eastern Maine Skippers Program provides high school students with relevant, hands-on learning to enhance their academic studies. This is accomplished by bringing fishermen, industry leaders, scientists and students together, not only in the classroom, but in the community and on the water. The project question for 2018/2019 is “How can technology contribute to a safe, healthy, and sustainable fishing industry?” Supported by your sponsorship, students will present final projects at one of three locations across Hancock and Washington Counties.

Presenting Sponsor - \$1,250 | \$3,000 for all three events

- Banner at event venue
- Large logo on program
- Large logo on MCCF website
- Large logo on invitation
- Name recognition during event

Award Project Sponsor - \$750 | \$1,500 for all three events
